Global Public Relations and Corporate Events

A Global Leader

Zoe Worldwide is a leader in international public relations, global events, trade show management and marketing communications. With more than twenty years of experience, Zoe Worldwide has the proven ability to create global messages that will make a big impact on your business—on every continent.

Public Relations That Stand Out

At Zoe Worldwide we understand that building a successful international image takes detailed knowledge of the important differences among markets. That's why our comprehensive public relations services include:

- Researching and building targeted media lists to reach your audience
- Writing and editing press releases
- Organizing press conferences
- Managing press events
- Media monitoring and analysis

Unforgettable Global Events

From Thailand to Jordan to Spain and more, Zoe Worldwide can organize meetings, incentives, golf tournaments and special events at unique destinations around the world. Zoe Worldwide will manage all aspects of your event from start to finish. Whether you have 50 people or 500 you are guaranteed an experience you will never forget.

Trade Shows That Get Noticed

Zoe Worldwide will manage your international trade shows and ensure that your brand and your message are communicated effectively and with maximum impact.
